12/26/83 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK
Jose Luis Rivera W. Rene Goulet (By pin, with a Flying Head Sciccors Take-Down into a Rolling Double Leg Cradle.)
Salvatore Bellomo DREW Tiger Chung Lee (This match went to the full time limit, resulting in a "DRAW" decision. Both Grapplers fought well, in this exciting match, and tried to do the other in.)
Arnold Skoaland & Jimmy Snuka W. Lou Albano & The Magnificent Muraco (Snuka pinned Muraco, with a partial cradle, after a Sensational Flying Body Press, off the top ring rope/corner turnbuckle, while Skoaland and Albano were going at it. This match was very exciting, and Arnold looked very good against Muraco, as well as Albano. Lou was wild as ever, in this insane fracas. Snuka gave Albano what for, as well as giving The Magnificent One a good going over.)
Sgt. Slaughter W. Jay Strongbow (The end came, when Jay put Slaughter in his sleeper hold, but The Sarge escaped. Slaughter, then, pinned Jay, with a One Leg Cradle, after a Devestating Clothesline Drop. Jay looked good against The Sarge, in this bout.)
Ivan Putski D.DQ. The Masked Superstar (At the finish, Putski was trying to unmask The Superstar, by the ring ropes. The referee tried to restore order between Both Grapplers, and was struck, by Ivan, for his trouble. The Superstar did not listen to the referee either, and soon dropped off the ring apron, to the ringside floor. The referee, of course, disqualified Putski and The Superstar, for these rule infractions. This was a very good bout, with both mat men putting out.)

(Continued)

The Iron Sheik W. Bob Backlund (For this bout, Freddie Blassie, The Sheik's Manager, sat by the ring, and Arnold Skoaland, Bob's Manager, sat in Backlund's corner. This match was real good, and had alot of action. Bob tried to finish the Sheik off, with a Reverse Rolling Cradle/Back-Bridge pinning combination, but The Iranian escaped, just in time. The end came, when The Sheik got on Bob's Back, and applied his Camel Clutch Submission Hold. Bob appeared to be in alot of pain, and could not take this extreme punishment. Bob's Manager, then, threw a towel into the ring, to signal, that the bout should be stopped, and it was. It was soon announced, that Bob submitted, giving the win, to the Iranian. Bob's neck and shoulder were re-injured, in this battle, due to the pressure put on, by The Iranian Bob's neck and shoulder were originally damaged by The Sheik on T.V., several day's before this bout. This match, to say the least, was an upset, by all means.) - T.K.O.(Tec. Knockout, due to an injury.)

The Wild Samoans #1 (Afa) & #2 (Sika) & #3 (Sam)
W.
Rocky Johnson & Tony Atlas & Special Delivery Jones
(FIRST & SECOND FALLS - The referee could not control the wild action, and split this fall, into two, and disqualified both teams, for their many rule infractions.)
(THIRD FALL - Afa pinned Jones, after a Diving Head-Butt, off the bottom ring rope/corner turnbuckle. This match had alot of fast paced action, from start to finish.)

Tito Santana W. Ivan Koloff (By pin, with a Fabulous Forearm Smash, into a Partial Cradle. Both wrestlers fought good and hard, in this tough struggle.)

The Invaders #1 & #2 W. Butcher Vachon & Mike Sharpe (The Invader Hip-Tossed his partner, The Second Invader, on top of Vachon. The Second Invader, then, scored the pin, with a One Leg Cradle, on Vachon.)

THE MAN AS TALL AS A TREE

By

ROBERT BIEBER

While watching wrestling late one night.
I myself saw an incredible sight.

A special match was going to take place,
In which the former champion, as not to lose face.

Agreed to wrestle A Samoan, not one or two,
But number three of the dastardly crew.

The former champion knew what was instore,
So he had his own little plan, furthermore.

The match started and The Samoans outside the ring,
Wanted a piece of Backlund more than anything.

Backlund feeling the danger called time out,
And ran back into the dressing room without a shout.

And who do you suppose came out with Backlund and a new slogan,
But the incredible six foot, ten inch man named Hulk Hogan!

The crowd went crazy and The Samoans were in shock,
To see the man who had once called Bob Backlund a crock.

Now with The Hulk on his side,The Samoans would not cheat,
For fear of the man with very big feet.

The match went on as wellas it could,
With the end coming as it should.

Backlund applied his famous Chicken Wing,
Which can break a man's arm, just as a canary can sing.

However, before The Third Samoan could submit,
The other Two Samoans rushed the ring and began to hit.

Bob Backlund to try to ease the hold,
Thus nearly knocking Backlund cold.

But then with the quickness of a cat,
Rushed Hogan onto the mat !

Hogan was furious as The Samoans could see,
But they still tried to attack the man as tall as a tree.

Their attacking did not help them much
For Hogan was beating them to a punch.

A Samoan flew here, a Samoan flew there,
As the crowd watched the fantastic fanfare!

Finally after they took their beating,
They went back to the dressing room, perhaps for a meeting.

Hogan raised Backlund's hand in victory,
While crowd cheered the former champion and the man as tall as a tree.

Immediately after, Backlund and Hogan went to the interviewers stand,
The mike being the size of Hulk Hogans hand.

Hogan exclaimed "Hulk-a-mania is here to stay"!
So all you evil wrestlers better watch out and pray.

That you never meet up with or see,
The man as tall as a tree.

The Invaders #1 & #2 DREW Mr. Fuji & Tiger Chung Lee (This bout went to the full time limit, resulting in a "DRAW" decision. Sgt. Slaughter W. Ivan Putski -C.O.R. (The finale of this bout came off like this: Slaughter and Putski were fighting on the outside ring apron, while the referee was tolling the count. Ivan hit Slaughter over the top ring rope, back into the ring, just in time. Ivan Then entered the ring, to late. The referee counted Putski out, outside of the ring, making The Sarge the winner. Slaughter's forehead was a bloddy mess, in this tough encounter. Both Grapplers put out in this match, from start to finish.)

Paul Orndorff W. Salvatore Bellomo (By pin, with a sensational Pile-Driver, after a tremendous Power Body Slam. Bellomo gave Orndorff a hard time, in this rugged battle, but of course Orndorff prevailed. Paul's Manager, Roddy Piper, was at ringside, and carried on. This was a pretty good match.)

The Magnificent Muraco D.DQ. Tito Santana (Muraco's Manager, Lou Albano, was at ringside, during most of this bout. Albano entered the ring during this match, and got what for, from Tito, who gave both Muraco and Lou a good going over. Muraco and Tito then fought out of control, and the referee called for the bell. This bout was then declared a Double Disqualification, by the referee. Tito and Muraco worked well together, and put forth an excellent match.)

The Haiti Kid & Tiger Jackson W. Pancho Boy & Dana Carpenter
(FIRST FALL- Jackson pinned Dana, with a Sunset Flip Cradle.)
(SECOND FALL- The Kid pinned Pancho Boy, with a top Body Press, after Some rough action.)

Hulk Hogan W. The Iron Sheik (The Sheik's Manager, Freddie Blassie, came to the ring, with his charge. He then went back to the dressing room area, and did not stay at ringside, to watch the match, at a close view. The Sheik was attacked by Hogan, and given a good beating. The Hulk went wild, and gave the Iranian a Tremendous Clothesline, followed by a punishing Neck-Stretcher. The Hulk also struck the Sheik, With a giant kick, to the upper body. At this point, The Sheik was not finished off, and came back, to down the Hulk, with a Salto Suplex, followed by his Infamous Camel Clutch Submission Hold. Hogan soon escaped, from The Iranian's Clutches, by powering out of the dreaded hold. The Hulk then destroyed The Sheik, by nailing him, with his Devastating Flying Leg Drop, across the throat/upper chest area. Hogan, of course, then pinned The Sheik, with A Leg Cradle, to score a most impressive victory. This was a " U.S.A. VS. IRAN" Bout, with our hero, Hulk Hogan showing Iran's Hero, The Iron Sheik, Who's Boss, in the squared circle. The Hulk really tore The Sheik up, to say the least. The fans went wild and crazy, with "HULKAMANIA", and The Hulkster gave the spectators, what they came for, a most exciting battle, from beginning to end.)

Jimmy Snuka W. Rene Goulet (By pin, with a Terrific Flying Body Press, off the top ring rope/corner turnbuckle. Goulet tried, but he could not overcome the Fiji Native, who is a great grappler, to say the least.)

Andre The Giant & Rocky Johnson & Tony Atlas W. The Wild Samoans #1 (Afa) & #2 (Sika) & #3 (Sam) (Andre pinned Sam, with a Giant Sit-Down Splash. This was a wild match, with all six combatants doing their thing. Andre's Team, of course, gave The Samoans, what they deserve, a good pounding.)
